WEEKLY UPDATE

March 11, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 39 resident and 25 staff members test positive for COVID-19. One staff person is currently quarantining at home. All other staff members have recovered, and any new staff testing positive will quarantine at home. We are continuing the process of mass testing of the staff which has been mandated by CMS and HHSC.

It is hard to believe it has almost been a year since this whole pandemic began. We are proud of our staff who continue to be focused on the safety and comfort of our residents. We are also proud of our residents who continue to make the best of things and have fun whenever possible. Please join us in continuing to do our part in limiting the transmission of COVID-19 by wearing masks, washing your hands and keeping a safe distance from others.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly (903) 482-6455.

Sincerely,

A handwritten signature in black ink, appearing to read "John Dohlman", with a long horizontal flourish extending to the right.

WEEKLY UPDATE

March 25, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 39 resident and 25 staff members test positive for COVID-19. One staff person is currently quarantining at home. All other staff members have recovered, and any new staff testing positive will quarantine at home. We are continuing the process of mass testing of the staff which has been mandated by CMS and HHSC.

Please join us in continuing to do our part in limiting the transmission of COVID-19 by wearing masks, washing your hands and keeping a safe distance from others. We are encouraged to see Essential Caregiver visits going well and people following the guidelines. We look forward to this continuing successfully and safely as we put in place new visiting guidelines that CMS and HHSC have given. We are proud of our staff who continue to be focused on the safety and comfort of our residents. We are also proud of our residents who have weathered these many storms of life.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. WEEKLY UPDATE

March 4, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 39 resident and 24 staff members test positive for COVID-19. All staff members have recovered, and any new staff testing positive will quarantine at home. We are continuing the process of mass testing of the staff which has been mandated by CMS and HHSC.

It is hard to believe such cold weather happened only two weeks ago. We are proud of our staff who continued to be focused on the safety and comfort of our residents. We had food, water and medical needs were met by our dedicated staff. We are also so encouraged by this wonderful community we serve who reached out to make sure everyone here was safe. Additionally, we completed our final clinic to administer the COVID-19 vaccine on February 23rd. Please join us in continuing to do our part in limiting the transmission of COVID-19 by wearing masks, washing your hands and keeping a safe distance from others.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering.
