WEEKLY UPDATE

April 14, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 39 resident and 25 staff members test positive for COVID-19. All our staff have recovered at this time. Any new staff testing positive will quarantine at home. We are continuing the process of mass testing of the staff which has been mandated by CMS and HHSC.

Please continue to join us in doing our part in limiting the transmission of COVID-19 by wearing masks, washing your hands and keeping a safe distance from others. We are encouraged to see more visit opportunities available through new guidelines from CMS and HHSC. We look forward to scheduling time for a visit for you. We are proud of our staff who continue to be focused on the safety and comfort of our residents. We are also proud of our residents who have weathered these many storms of life.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly (903) 482-6455.

Sincerely,
