WEEKLY UPDATE

June 23, 2020

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Meadowbrook Care Center has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! While most activity is one on one currently, we have been able to have a "Country Store" and play a bit of bingo too. We were even able to celebrate Father's Day with gifts for all the dads and root beer floats for everyone. We also celebrated National Rocky Road Ice Cream Day!

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly (903) 482-6455.

Sincerely,

A handwritten signature in black ink, appearing to read "John Dohlman", with a long horizontal flourish extending to the right.

John Dohlman,
Administrator

June 6, 2020

Dear Residents and Families/Representatives,

As of today, our facility has no confirmed cases of COVID-19. Our staff continues to practice the enhanced safety precautions we have previously reported to you through our website and we are closely monitoring the recommendations of our federal, state and local health officials regarding all aspects COVID-19 from mass testing to visitation recommendations.

In fact, as Texas loosens COVID-19 restrictions throughout the state, many people are asking when they will be able to visit their loved ones. At this time, the Centers for Medicare and Medicaid Services (“CMS”), the Centers for Disease Control (“CDC”) and our state health officials still recommend we restrict social visitation and only allow essential personnel in the facility. Please understand these restrictions are in place to reduce the risk of transmission of COVID-19 in our facility and to keep our residents safe.

We understand how difficult it has been to not see and visit your loved ones over the past several months and we appreciate your patience and understanding during this time. Until it is safe to allow visitors, please remember that we encourage you to stay in touch with your loved ones through FaceTime, emails, letters and phone calls. Please let us know if you are having trouble connecting with your loved one and we will be more than happy to facilitate your communication.

Please remember to check our website for updates. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19. As always, please contact us directly (903) 482-6455 if you have any questions or concerns.

Sincerely,

John Dohlman
